## Use a Gas Iron

for one month in your home

**FREE!**

It will cost you absolutely nothing to take advantage of this offer; we make connection to your gas range and make no charge.

We believe that there are hundreds of homes in Honolulu where gas for cooking is considered indispensable, but where the many other money-saving, labor reducing features of gas are not well known.

To give every housekeeper the opportunity to become acquainted with the most efficient ways to accomplish her house work, we are making this very unusual offer of our regulation 6-pound Rose Gas Iron for one month's free trial.

*At the end of that time you will find you simply cannot do without the Gas Iron.*

That's why we've put that coupon at the lower right hand corner of this advertisement. If you find you do not care to keep the iron, we will remove it and not charge you a cent.

But we know that you will realize the many advantages and will want to keep the Gas Iron, in which case it will cost you the regular price of \$3.00. You may pay this amount in monthly installments of \$1.00, or pay cash before the 20th of the month following and it will cost but \$2.70.
